

Year 2
Summer term
2021

English

Class Text:

In summer 1 we will be reading Bills new frock. In Summer 2 we will be reading Georges marvellous medicine. We will use these books as a stimulus for our English writing.

We will be:

- Retelling the story of Georges Marvellous Medicine
- Instruction writing for making medicine
- Poems based on observation
- Writing a story

How can you help?

It is important that children are reading at least 5 times a week at home. This will help them gain a wider range of vocabulary and will make them more fluent in their reading. They also need to be using Spelling Shed. Their logins are in their reading records.

Maths

Overview:

- Measurement: length and mass
- Fractions
- Measurements: time
- Measurement: capacity, volume and temperature
- Consolidation

How do we plan?

We use The White Rose Scheme of learning alongside other materials and resources.

How can you help?

Children need to be practising their times tables. They can use TT Rock Stars to help them. Their logins are in their reading records.

TT Rock Stars :

Science

Everyday Materials

In science, the children will be learning about different materials, describing their properties and what they are used for.

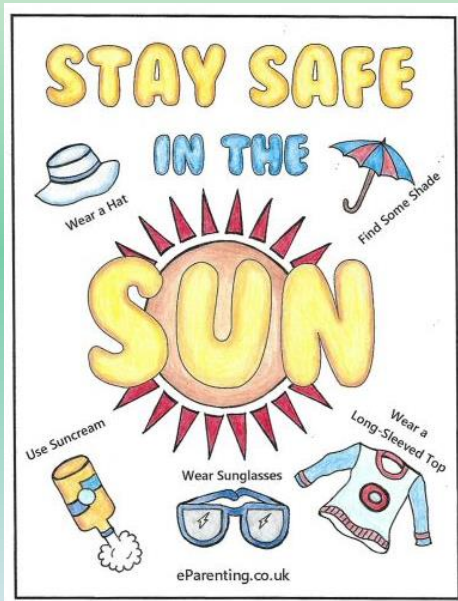

We will be comparing materials and explaining why some objects cannot be made from other materials and also exploring how we can change the shape of a solid object.

Topic

All aboard the good ship sandcastle

The children will learn all about the beach and sun safety. We will talk about how to keep ourselves safe in the sea as well as safe around strangers.

Come fly with me

The children will learn about the whole world, the different continents and different types of transport. We will discover key explorers including Amelia Earhart and the Wright Brothers.

RE

The children will be learning about Special ways of living. We will be talking about respect for others and their feelings. We will be looking at the similarities and differences in some religious.

PSHE

Healthy lifestyle and Relationships

The children will be talking about ways of keeping safe in familiar situations. They will be learning about a healthy lifestyle and what keeps them healthy as well as looking at the basic needs of a human body including food groups. We will be looking at the similarities and differences of peoples lifestyles and their families.

PE

Invasion and sports day preparation

Pupils will develop their understanding of invasion games and the principles of defending and attacking. They use and develop skills such as sending and receiving with both feet and hands, as well as dribbling with both feet and hands. They have the opportunity to play uneven and even sided games. They learn how to score points in these types of games and learn to play to the rules. In summer 2 we will be preparing a range of athletic activities in preparation for Sports day.

How can you help?

Each child must have their own PE kit in school. Please make sure all jewellery is removed before school.

Music

Reflect, Rewind, Replay

Western Classical Music. We will look at the history of music in context, listen to some Western Classical music. Consolidate the foundations of the language of music and where it comes from.

Computing

In computing the children will be collecting data and creating graphs and pictograms

Homework

Children will be given a project to complete each half term which relates to their topic. Children can complete the creative activities on the project sheet and/or get creative themselves. As well as this, children should complete assignments on Purple Mash, Spelling Shed and TT Rockstars.

We are really encouraging children to read as much as they can at home, please make sure reading records are signed.

We change reading and library books on a Friday so make sure children bring them to school.
