

Reception News

This week in Reception we have been learning all about Goldilocks and the Three Bears. We have been comparing size and shape and developing our mathematical language. We have been talking about our favourite parts of the story and using our phonics to write sorry letters to the three bears.

Next week we will be exploring the story of the Gruffalo.

Caterpillar update—our caterpillars are safely wrapped in their chrysalis all cosy ready to start nibbling through soon to become beautiful butterflies.

Challenges!

Reading & Phonics : Please read with your child 5x per week and record this in their reading record to enable them to be entered into a raffle to win new books for their classroom. Please remember to access BUGCLUB to develop phonics and reading skills. This can also be recorded in your child's reading record.

Bedtime story: Each Friday a member of the EYFS team will upload a bedtime story on Tapestry. Grab a blanket and a teddy and enjoy the story. This story time can also be recorded as a 'read' in your child's reading record.

Homework folders: Each week your child will come home with a homework folder with some worksheets to complete based on different themes and subjects. Please hand these in by Thursday each week for us to add to.

Weekly Routines

PE (Thursday) Please make sure your child has a **labelled PE kit** in school which can be kept on their peg and please remove all jewellery.

Reading books—Reading books will be changed weekly.

Library books—Library books will be changed every Friday. Please make sure your child returns their book each week in order to choose a new one .

Water bottles—Please make sure your child has a named water bottle with them in school every day as it is thirsty work in Reception!

Reception Certificates

Congratulations to all our certificate winners this week!

Super star writers: Lilly, Esme, Alex

Super star readers: Joshua, Kajetan, Georgie

Celebrating school values: Faye, Esmae, Poppy

The class with the most reads this weeks is....RKP!!

Nursery News

This week we have been talking about our class caterpillars and the lifecycle of a butterfly. The caterpillars are now in their chrysalis sleeping ready to emerge as butterflies and next week we will hopefully be able to meet them and set them free in our garden. We have used our memory skills to remember the order in which they grow, painted and decorated paper butterflies, practised our counting and number recognition as well as our handwriting skills. We have also been celebrating summer and the warmer weather in our garden, whilst looking for snails, playing with the sand and water play. The children have enjoyed investigating all that there is to offer at this time of year!

Have a lovely weekend!

Weekly tasks

Reading: Please continue to look at your child's book with them and record any conversations that you have together in their reading diary. This interaction will encourage and support your child with their communication. Books (and diaries) need to be returned every Friday in exchange for a new one.

Bedtime story: Each Friday a member of the EYFS team will upload a bedtime story on Tapestry. Grab a blanket and a teddy and enjoy the story.

Reminders and unpredictable weather

As the weather has turned colder, could we please ask that the children come fully dressed with coats, hats, scarves and boots where necessary (with school shoes in their bag ready to change in to). Water bottles are also required and we ask that they are filled with water only and are clearly named.

Certificates

Congratulations to all our certificate winners this week!

Jenson - 'for always trying his best in class, being kind to his friends and continuing to listen and follow instructions'

Tobie - 'for showing his work to all of his friends and helping at snack time'

NHS Speech drop in

Parents with nursery aged children are able to access speech, interaction and communication therapy through NHS drop in sessions at Great Oaks.

If you feel your child would benefit from additional speech support please contact Drop-in@nelft.co.uk for an appointment.
