

Reception News

This week we have been learning all about the police service. We were lucky enough to have two police officers and a police car come and visit us in school this week. We learnt all about the police uniform and transport and different ways in which they can help us and keep us safe.

We will be continuing to learn about the police through the story of 'Cops and Robbers' next week where we will make wanted posters and talk about the characters of the story.

In maths this week we have continued to subitise and we have been learning about doubling numbers up to 10.

Challenges!

COATS! Please practise with your child over the weekend as part of their homework doing up their own coats. This is a skill we have been working on in class too.

Homework folders: Each Friday your child will come home with some homework sheets to support their learning.

Please return homework folders by Thursday each week.

Reading: Please read at home each night and record this in your child's reading record. Your child's reading book will be changed weekly. You can record any story that you read or share together at home.

Bedtime story: Please log on to Tapestry this eve and every Friday for a bedtime story read by one of our team for you and your child to enjoy together. This can be recorded as a 'read' in your child's reading record.

Phonics video: Each week we will send home a phonics video for your child to watch and join in with at home recorded by our Phase Leader Mrs Templar.

Tapestry: Don't forget to add your adventures to Tapestry—the children love sharing their photos on the big board and this really helps to support their speaking and listening skills.

Weekly Routines

PE is now indoor on a Thursday. Children should come to school in their PE kits with all jewellery removed.

Reading books—reading books will be changed weekly. Other books can be recorded in you child's reading record.

Library books—Our library circle time takes place each Friday. Please make sure your child returns their book each week in order to choose a new one .

Water bottles—Please make sure your child has a named water bottle with them in school every day.

Gloves, scarves and hats—Please send your child to school with gloves, scarfs as the temperature continues to drop. Please make sure these are labelled.

Certificate winner

School value: Lily, Oliver, Leo **Superstar reader:** Kyra , Teddy, Anene **Superstar writer:** Lainey, Presley, Tilly

Reading winners

The winning class this week are RTR with 82 reads!

Well done for collectively achieving the most reads at home this week. Your class will be caring for our special reading bear this week as a reward :-)

Nursery news

It's been very cold in the Nursery this week as we continue to talk about Winter. The children have been learning about the different animals that like to be outside enjoying the cold, including those that like to live in other countries in the snow. The children have been decorating their classroom with polar bear hand prints, brown foam walruses, sensory cotton wool letters, winter shapes, and real life animal photos. Our messy tray also turned into a winter ice rink with shaving foam snow and glittery water!!

Have a lovely weekend!

Tapestry & Class Charts

Thank you to everyone who has already uploaded photos of their child and their news. It really is appreciated and helps with communication during carpet time. Please keep them coming! If you have yet to access either Tapestry and/or Class Charts, then please let one of the Nursery Team know.

HOME START SERVICES

January—March

Home start are able to support the family with a range of issues from toileting and sleeping to behaviour and wellbeing.

Volunteer Support – Home-Start provides informal, friendly, family support. Volunteers offer regular support, friendship, and practical help to families in their own homes. This is available Monday to Friday, 9.30am to 4.40pm in all areas.

Family Support Groups – Our groups are available to Essex families who want to meet other parents, make new friends, and gain peer support from others. The aim of the groups is to provide a non-judgemental, supportive place for families to have fun. We have 10 fun, friendly, groups run weekly (term time only) from 10 to 11.30am, details of days and areas are on our website.

Special Educational Needs & Disabilities Group (SEND) - A specialist group for families who have children with a SEND Diagnosis, are on the pathway or general developmental delay. Our Group is for Essex families who want to meet other parents, gain peer support and access guidance and support from trained staff & volunteers. The group will have sensory play and activities for the families to enjoy together.

Drop-In Groups - Our groups are open to families from the local communities. The groups offer a safe environment for families to meet and chat, giving the opportunity to extend social networks and reduce isolation. Each session assists parents with areas of child development, and provides an activity tailored to the age of pre-school children. **No need to book, just turn up.**

- **Brentwood Group** – is open to families in the Brentwood area and runs on a Monday Morning at Hutton Community Centre, Harrison Close, Hutton.
- **Carver Barracks Group** – is open to military and non-military families from the local community. This is a new group and will be held Thursday Mornings (Term Time only) starting on 11th January 2024 at, The Community Hall, Carver Barracks in Saffron Walden.

Wellbeing Programme – This is focused on parental wellbeing. We have groups online, face to face, and some 1:1 support is available. The programme supports parents' emotional wellbeing and mental health through providing self-care, personal safety, and self-esteem building activities, relaxation, and stress management techniques. Next groups are online and start on Tuesday 10th & Wednesday 11th January.

Mothers in Mind Groups - Mothers in Mind groups support Mums through pregnancy and up to 2 years after birth, who are experiencing extra challenges around emotional wellbeing and mental health. These groups offer some additional support during this time. The Mothers in Mind (MIMs) programme is a 10-week peer support group. The group is FREE to attend, but places must be booked in advance. Next groups will be held in Rayleigh, starts on Tuesday 16th January and Chelmsford & Loughton on Wednesday 17th January 2024.

Behaviour Support - Our specialist Behaviour Support Co-ordinator works with parents/carers to support them with managing their children's behaviour and improving family relationships. Group Sessions are delivered via online groups over 6 weekly sessions, Wednesday 10 to 11.30am. We also have some availability for 1:1 sessions.

Further details and information on all our support services can be found on our website

www.home-startessex.org.uk
