

Young Carers in Schools

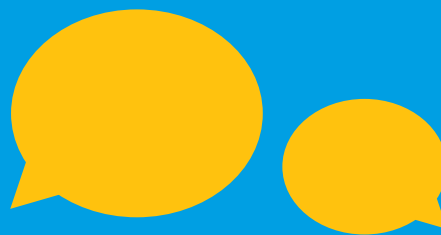

What schools have told us about the impact of the programme

In 2018, an independent review of the Young Carers in Schools programme was conducted by Coram. 115 schools were consulted as part of this work and findings included:

94% of schools said staff were **more likely** to know what to do if they **identified a young carer**.

94% had a **better understanding** of the **support** required for young carers.

85% of young carers **demonstrated increased wellbeing**.

73% of schools reported young carers' **classroom engagement** had improved.
