

Reception News

This week in Reception we have been reading the story of 'Stick Man' and had great fun making our own stick men. We tested to see if some of stick men's friends would float or sink and even rescued him from ice while learning about freezing and melting! In maths we have been learning how to use part-part-whole models to make a total. We also had fun learning about St Andrews day and had a cheeky arrival from the elf too! Its been a very busy week!

Next week we will be learning all about birthdays and how these can be celebrated and in maths we will be concentrating on 2D and 3D shapes.

We look forward to seeing as many of you as we can on Monday 5th December 2.30 to join our Reading Café.

Challenges!

NEW Homework folders: Each Friday your child will come home with some homework sheets to support their learning. Please return homework folders by Thursday each week.

Reading: Please read at home each night and record this in your child's reading record. Your child's reading book will be changed weekly. You can record any story that you read or share together at home.

Bedtime story: Please log on to Tapestry this eve and every Friday for a bedtime story read by one of our team for you and your child to enjoy together. This can be recorded as a 'read' in your child's reading record.

Phonics video: Each week we will send home a phonics video for your child to watch and join in with at home recorded by our Phase leader Mrs Templar.

Tapestry: Don't forget to add your adventures to Tapestry—the children love sharing their photos on the big board and this really helps to support their speaking and listening skills.

Weekly Routines

PE will be outside on a Monday afternoon while the weather is dry. Please make sure all jewellery is removed.

Reading books—Reading books will be changed weekly. Other books can be recorded in you child's reading record.

Library books—Our library circle time takes place each Friday. Please make sure your child returns their book each week in order to choose a new one .

Water bottles—Please make sure your child has a named water bottle with them in school every day.

Certificate winners

School value: Lucas, Evelyn, Jenson
Superstar reader: George, Millie, Albie
Superstar writer: Connor, Anene, Blake

Reading winners

The winning class this week are RTR!!!! No way - Again!!!! Well done RTR you superstar readers!

Well done for collectively achieving the most reads at home this week. Your class will be caring for our special reading bear this week as a reward :-)

Nursery news

We have been talking about hibernation this week in the Nursery, learning about all of the different animals that like to go sleep during the Winter. The children have been taking part in lots of different activities using their creative, number and writing skills and learning about the animals' habitats. We have been reading the story of 'Don't Hog the Hedge' which is about Hattie the hedgehog and how she wants to just go to sleep but, in the end, decides to share her home with all of her animal friends. It's a lovely story about friendship, caring for one another and helping others.

On Thursday we celebrated St. Andrew's Day by watching a special story about two little boys living in Scotland and how they celebrate their special day with their family and the local community.

Next week we shall be looking at the colder weather and all of the changes that we see on our way to school.

Have a lovely weekend!

Tapestry & Class Charts

Thank you to everyone who has already uploaded photos of their child and their news. It really is appreciated and helps with communication during carpet time. Please keep them coming! If you have yet to access either Tapestry and/or Class Charts, then please let one of the Nursery Team know.
